Reg. No: 2023UG2008 Batch: 2023-2027

Education

Indian Institute of Information Technology Ranchi

2023 – 2027

- B.Tech in Electronics and Communication Engineering
- Jharkhand, India

CGPA: 8.54

Projects

EcoRevive – AI-Powered Waste Management Platform 🚀 Live 🐙 Code

2025

- Built a **full-stack waste management platform** enabling users to report waste, earn rewards, and support sustainability initiatives.
- Integrated **AI-based waste verification** using Google Gemini API to analyze images and classify waste type and quantity.
- Implemented **secure authentication and role-based access** using Clerk with seamless onboarding and protected workflows.
- Designed **scalable MongoDB schemas** using Mongoose for users, reports, rewards, donations, and transactions.
- Integrated **Stripe** for secure donations with real-time payment tracking and reward attribution.

Edutom – E-Commerce Platform 🚀 Live 🐙 Code

2025

- Developed an e-commerce platform for digital and physical products with purchase and rental models.
- Integrated secure Stripe payments with automated invoice generation.
- Used Clerk for authentication, MongoDB for persistence, and Zustand for state management.
- Improved UX and achieved **40% faster checkout performance**.

Dinengo – Restaurant Management System 🚀 Live 🐙 Code

2025

- Built a restaurant management system with table reservations, real-time payments, and admin dashboards.
- Implemented live order tracking and automated billing workflows.
- Optimized backend queries, reducing load time by **35%**.
- Tech Stack: Next.js, Tailwind CSS, MongoDB, Stripe, Clerk, Zustand.

Technical Skills

- **Languages:** C, C++, JavaScript, SQL
- **Frontend:** React, Next.js, Tailwind CSS
- **Backend:** Node.js, Express.js, MongoDB, PostgreSQL, MySQL
- **Auth & Tools:** JWT, Clerk, Firebase, Passport.js, Postman
- **Libraries/APIs:** Stripe, Razorpay, Zustand, Gemini, Cloudinary
- **CS Concepts:** DSA, DBMS, High-Level Design (HLD)
- **DevOps:** Git, Docker, Kubernetes

Achievements

- Selected in **SIH 2023 & SIH 2024** internal round.
- Ranked in the **top 5 percentile** in JEE Mains.
- Solved **300+** problems on LeetCode and GeeksforGeeks.
- Built **5+** full-stack applications integrating AI and payments.

Languages

- English (Fluent), Hindi (Native)
